PRESS BRIEF

ODISHA PUBLIC PRIVATE PARTNERSHIP (PPP) POLICY 2023

1. Odisha Public Private Partnership (PPP) Policy 2023 has been formulated by the Directorate of PPP, Finance Department, Government of Odisha for reinforcing and further accelerating the growth of PPPs in the state. It will help the State to adapt to changes in the PPP ecosystem.

2. Odisha Public Private Partnership (PPP) Policy 2023 aims for an optimum balance between private sector risk and rewards. The fundamental benefit of this policy is to provide value for money to the state, resulting in better and affordable services over the long term.

3. This policy shall leverage State and Central Government funds, support private investment, and create a conducive environment to utilize the efficiencies, innovativeness, and flexibility of the private sector to provide better infrastructure and services at an optimal cost putting emphasis on social infrastructure also.

4. Besides robust institutional and governance frameworks within the State to attract private sector investments, this policy shall create a level playing field for all participants and protect interest of all stakeholders and an institutional mechanism for speedy clearance of the projects.

5. According to the policy, PPP projects requiring a minimum investment of Rs 500 crore would be approved by a High-Level Clearance Authority (HLCA). Empowered Committee on Infrastructure (ECI) will have the authority to approve projects of a value ranging from Rs 10 crore to Rs 500 crore.
6. Directorate of PPP would provide assistance to the ECI and nodal agencies for PPP projects in the state and will also have the authority to approve projects up to Rs. 10 Crore.

7. A District PPP committee, headed by the District Collector and with representation from key administrative agencies at the district level and prominent Industry Associations, will coordinate and facilitate the implementation of infrastructure projects on PPP route.

8. The PPP Policy 2023 includes 21 sectors which may be implemented in PPP with emphasis on waste management, energy efficiency measures, renewable and alternative/ non-conventional energy sectors.

9. The policy includes a range of government incentives and assistance under Viability Gap Funding (VGF) and Odisha Infrastructure Development Fund (OIDF) in order to boost the viability of PPP projects.
